Frequently Asked Questions

Q: Is this training conducted online or offline?

A: This is a complete online training program. You can attend from anywhere with stable internet connection. All sessions are conducted live via video conferencing with interactive Q&A.

Q: What about certifications?

A: We provide FREE certification upon course completion. Additionally, we guide you through UiPath Academy certifications and track your progress throughout the certification journey.

Q: What are the payment options available?

A: We offer multiple payment options for your convenience including UPI, Net Banking, Credit/Debit Cards, and EMI options. We also provide flexible installment plans. Contact us for more details.

Q: Do I need any prior programming experience?

A: No prior programming experience is required! We start from the basics and gradually move to advanced concepts. Our special guidance for freshers ensures everyone can follow along comfortably.

Q: Will I get access to class recordings?

A: Yes! All 33 class recordings are provided to you for lifetime access. You can revise any topic anytime at your convenience.

Q: What is the batch timing?

A: We conduct weekday morning batches only. Morning sessions ensure fresh minds, better focus, and faster learning outcomes.
